LOCAL MATTERS.

M. C. Smith received, this morning, ten pieces more of those celebrated Borma silks, that beat them all in quality and price. We have since September 1st sold 102 pieces of this one grade of silk. We received orders yesterday from Minnesota, Iowa and Dakota; also from a northern county in this state, for these goods, by parties that had seen the goods bought of us by other parties. We still sell these elegant goods at \$1.50. For one common, ordinary silk that some of our competitors try to sell for a first class silk—we sell the original Gaiety silk at \$1 and \$1.25.

The meeting of retailers at the council room last evening was not so well attended as could be wished for. A number came and went before the final gathering. THE BAPTIST CHURCH.

The contract for the rebuilding of the Church edifice.

The contract was awarded today to Messrs. George C. Colling, J. G. Wray, and Edward Rathbun, for rebuilding the Baptist church on the old site, corner of Jackson and Pleasant streets, the contract stipulates that the church is to be finished by the 25th day of December next. The new church will be 50x115 in size, with an auditorium 60x60 feet, and a seating capacity of upwards of five hundred. A gallery will extend across the Pleasant street end of the church, and on the sides. The pulpit and organ loft will be similar to that of the old church. The extreme height of the building will be 68 feet, exclusive of the cross. There will be a bell tower on the south corner, but no spire. A basement, the same size of the main floor, will be divided up into a Sunday school room, class rooms, and kitchen. The walls of the church are to be of brick, and finished in terra cotta and galvanized iron. The building will be much handsomer in appearance than the old church, and will cost in the neighborhood of twenty thousand dollars. The architect is Mr. G. H. Edmundo, of Chicago; the building is a modern Gothic, and will be the handsomest church building in Southern Wisconsin. The basement is to be completed by the first of November. We understand that Messrs. Colling, Wray and Rathbun have already commenced the work on the above contract.

The church building was destroyed by fire on Sunday evening, January 13th last, and was insured for \$17,500, including the organ, the entire loss being estimated at \$38,000. The society is to be congratulated upon the fact that in less than a year from the time they were deprived of their place of worship, they will have their new edifice completed and occupied. The church, in many respects will be superior to the one destroyed, and we think will present a far handsomer appearance. May good luck attend the efforts of the Baptist society.

The just reputation of Dr. Price's Flavouring Extracts places them in the first rank of the very best flavorings, for creams, cakes, etc., that have ever been made. Their flavor is truly rich, fresh and fruity. Dr. Price has spent time and study in perfecting these flavors, and we are confident they have been crowned with success.

Miss Frances E. Willard Coming.

Miss Frances E. Willard, the distinguished temperance lecturer and orator, will visit Janesville this week, arriving here probably on Saturday, with her mother, and will remain over Sunday. During her visit here she will be the guest of Mrs. S. O. Little, superintendent of the institution for the education of the blind. It has been nearly five years since Miss Willard visited her friends in Janesville, and her return to the interesting scenes of her childhood, will be hailed with delight by the hundreds who have heartily rejoiced over her remarkable success in the cause of temperance, oratory, and literature.

Miss Willard and her venerable mother come here to visit once more the old homestead, about one mile south of the institution for the blind, which is now owned and occupied by Mr. William Barnes. The old house, once occupied by the Willard family when Frances was in the years of her girlhood, is still standing, but Mr. Barnes desires to remove it to enable him to make further improvements. Before this change is made, Miss Willard and her mother will visit the old home, about which there clusters so many strange but pleasant memories, and will have some photographs taken of the premises.

During her brief stay in our city, Miss Willard will no doubt find time to speak to our people on the cause to which she is consecrating her life. She now stands as one of the foremost female orators in this country, and that she has won this proud distinction is a grand honor to her and a source of great delight to her friends.

Remarkable Escape.

John Kuhn, of Lafayette, Ind., had a very narrow escape from death. This is his own story: "One year ago I was in the last stages of consumption. Our best physician gave me up. I finally got so low that our doctor said I could not live twenty-four hours. My friends then purchased a bottle of Dr. Wm. Hall's Balsam for the lungs, which benefited me. I continued until I took nine bottles. I am now in perfect health having used no other medicine."

Personal.

Mrs. O. W. Norton, of Milwaukee, is in the city, visiting her daughter, Mrs. E. D. Tallman, of the first ward.

Misses Ade and Mary Pond have gone to Preston, Iowa, to attend the wedding of a cousin, which takes place to-day. They will be absent from the city about two weeks.

Mr. W. H. Myers, manager of the R. G. Dru's mercantile agency at Rockford, called at the Gazette office last evening. Mr. Myers is well pleased with the solid and uniform appearance of our business blocks, and says Janesville is far ahead of western inland cities in this respect. Mr. Myers returned to Rockford this morning.

Mr. Robert Lillburn, of Emerald Grove, who has been on an extended visit to Scotland, has returned home, and was greeted by his Janesville friends yesterday upon his arrival here. Mr. Lillburn brings with him the latest fashion of a tie, with which he is enabled to play a practical joke upon his unsuspecting friends.

Good News to the Lovers of Sport.

The Janesville driving park association has joined the Wisconsin and Northern Illinois circuit, and will give a meeting in this city June 17, 18, 19, at which \$5,000 will be offered in prizes for trotting and pacing.

The races here last June gave the utmost satisfaction to both laymen and spectators, everything being conducted in an honorable and legitimate manner, and we have yet to hear of a single complaint from any quarter. Such an impression is lasting, and those who were here then are likely to come again. This year the association gives \$1,000 more in purses, and as the circuit meetings take place between the June and July races at Chicago, most of the horses entered there are reasonably sure of going through this circuit, the purses being large, with their mile tracks and but a short distance to travel.

The Belts of Upendrom.

patronize SOZODON because it perpetuates and increases the most important item in the sum of loveliness, beauty of the teeth. Let the mouth be ever so small, and the smile is of little value. A discolored tooth is a disgrace. Whitened and preserved with this peerless dentifrice, the teeth form a delightful contrast to the roseate lips and lovely curve of a pretty mouth. SOZODON is far preferable to gritty tooth powders.

The Woman's Christian Temperance Union of Janesville, will, until further notice, hold its regular meetings at the rooms of the Y. M. C. A. on Tuesday afternoons at 3 o'clock. All ladies are cordially invited to attend.

Mrs. J. H. Kinney, superintendent of Janesville work, with a corps of competent helpers, will meet the children at the same place, at a quarter to three o'clock on Saturday afternoons. All children are invited to come and join the temperance "Wide Awake."

The Farmer Still Tills the Soil.

A sudden change from poverty to wealth is apt to turn man's head, but it has not proved to be so with Mr. Albert S. Montgomery, of Janesville, who last week received here, through the First National Bank, \$15,000, as the holder of one-fifth of ticket No. 85,800, which drew the capital prize in the April drawing of the Louisiana State Lottery, costing him but one dollar and 25 cents in purchasing the ticket, and is for him a grand success.

Mr. Montgomery is a farmer, and shows a disposition to use wisely the money dame Fortune has bestowed upon him. When the public was inclined to doubt if he would receive the money, he was offered, by responsible parties, the amount called for, less two per cent, but knowing the integrity of the Louisiana State Lottery management, he declined the offer, and has received \$15,000 in full. It was the first lottery ticket he ever held in his life, and he paid for it the sum of one dollar—*Minneapolis (Pa.) Bulletin*, April 29.

Extreme Caution.

The banks all over the country are being closely watched just now to see if the recent flurry in Wall street will in any way affect them. Realizing the delicate position in which they are placed, the cashiers of one of our banks was heard to say to the president, "Hada't you better suspend the repairs on your house until the times become a little more settled, the people may feel uneasy about it."

The president replied that "people who live in glass houses should not throw stones"; and called the cashier's attention to the fact that he had just indulged in the extravagance of a new chimney on his house, when a hole in the roof with a stovepipe pointing heavenward, would have answered every purpose, and been more in keeping with the doctrine he was endeavoring to preach. The patrons of this old and reliable institution will be pleased to learn that extreme caution is a prominent factor in the motto that has secured for it so enviable a reputation.

Attention.

Memorial Day will be observed here under the auspices of Arthur D. Hamilton Post G. A. R. The address will be given by Major S. S. Brockwood, of Janesville, who every year will be pleased to hear. The College Cadets, under command of Captain Haynor, will do escort duty. The public is invited, and expected to take part in the observance of the day and thereby evidence their interest in perpetuating the memory of the nation's defenders who sleep beneath the soil in our cemetery.

Mr. and Mrs. C. E. Crandall returned from Morgan Park, Ill., last week, and will remain here until the summer school opens.
